Dear Mr. Wier:

Please find herewith an affidavit prepared, I hope, along the lines you described.

I have not yet received the instructions regarding the format required in the English Court so I have taken the liberty of following the New England format.

I have had the affidavit notarized, but if further authentication is needed, e.g. signed before a UK Consul, please let me know. I have the document on a word processor so can make any changes or get another original run off with no problem. I will then airfreight to make your filing date if you feel it is worthwhile.

Please call me if you have any questions.

Very truly yours,

Gerry Armstrong
